## From the Authors:

Welcome to “Friends on Parade”. We both are so happy to meet you! We are glad that you are going to be able to sing some of the songs we’ve written. We are also glad that now you have the chance to follow along with each note and with each word of this book. You will be surprised how much you will be learning about music, too!

Doing “Friends” has been so much fun; we think that you’ll have a really great time singing the music! We also have some wonderful, new friends whom we’d like to introduce; they are very excited to meet you.

You will find them in the front of your book as well as on the “Think Sheets” that we’ve created. You should have fun solving the puzzles...some of them will take careful thinking but we know that you’ll do your very best to figure them out!

Once again, we hope that you have a good time singing from this song book and working on the activity pages. Remember, “Friends on Parade” was written just for you!

Have a great year and . . . let’s be “friends”,

Phil and Lynne Brower
